

# SUPER FINE

Making the Connection

YOU DREAM IT. WE BUILD IT.

## About Us

**SUPER FINE** has been a leading electronic components distributor for over 10 years. We've helped millions of customers from businesses to educational institutions to hobbyists and along the way we're proud to have built a solid reputation for great prices, great selection, and a great source for hard-to-find electronic components. **SUPER FINE's** buying expertise allows even the smallest company or individual to enjoy the same competitive edge typically reserved for the highest volume buyers.

**”**  
**THE SECRET  
OF GETTING  
AHEAD  
IS GETTING  
STARTED**  
**”**

**Great things are done by  
a series of small things brought together.**

# IT'S A WAY OF NEW LIGHTING

# LIGHT UP YOUR CITY

superfines's expertise is in implementing quality electrical solutions providing electrical accessories when and where it is needed. This is a valuable asset to secure an area. By combining the efficiency of switches with the possibilities of control systems, superfine offers numerous integrated "switches on demand" scenarios. A smart way to combine safety and energy savings.

We take great pride in what we build or design so we can make your visions and dreams come true.
